

ADVANCED CORROSION PROTECTION

Our entire frame, from chassis to walls to roof, is 100% dipped in **ARMORTECH** for the ultimate metal treatment defense against rust and corrosion. **ARMORTECH** chemically grafts with steel to form a protective skin that is impervious to moisture and today's harsh, anti-icing agents. If the surface coating is scratched, **ARMORTECH** remains intact and continues to protect the coated area around the exposed metal. No rust creep!

HIGH-STRENGTH, LOW-ALLOY (HSLA) ROLL-FORMED STEEL

A staple in the automotive industry, HSLA steel has a higher strength-to-weight ratio and more natural corrosion resistance than carbon steel. The roll-forming process enhances material strength by creating less material fatigue than traditional stamping. Translation — **VERY STRONG!**

ENTIRE FRAME ROBOTICALLY WELDED

Spot-on micron precision for the perfect weld every time. The result is a true, square, straight frame that only an engineer could love. Or, anyone else who's into that "durability" thing.

PATENT-PENDING FRAME DESIGN

We started from scratch and took nothing for granted. Tossed out convention and leveraged modern engineering concepts to deliver a stronger, lighter and smarter frame. Then, we tested our new trailer on the proving grounds and tortured it at 100% cargo capacity for thousands of miles to prove out our design. The results surpassed our expectations and the competition. Different is better!

TRAILERS REVOLUTIONIZED

Haulmark's goal when designing the new V-Series CARGO trailer was to set the industry benchmark for durability & performance for years to come. High-strength, low-alloy (HSLA) steel, patent-pending roll-formed components and 100% dip-coated frame for ultimate corrosion resistance. **JOB DONE!**

1000

Functionality in its purest form. The **1000 Trim Level** may not stand out in a crowd, but it knows no limits for getting the job done. At its core, the **1000 Trim Level** features all the benefits of both the durable Uni-Lock Frame and ArmorTech corrosion protection. Simple for the sake of utility.

- ✓ 16" OC Vertical Wall Posts
- ✓ 24" OC C-Channel Crossmembers
- ✓ 24" OC Semi-Trailer, Anti-Snag Roof Bows
- ✓ ArmorTech Coated A-Frame
- ✓ 2" Sand Pad
- ✓ Bias Ply Tires with Silver Steel Wheels
- ✓ 5" Steel Bar Locks
- ✓ 3/4" DryMax Flooring
- ✓ .030 Aluminum Exterior with 8" Screw Pattern
- ✓ 12" Starbright Stoneguard
- ✓ Entry-Level Level Trim Accents
- ✓ 16"H 3/8" DryMax Kickplate (No Wall Liner)
- ✓ No Dome Light
- ✓ No Side Door

3000

There may not be a better example of a great price value equation than the **3000 Trim Level**. An excellent blend of form and function, the **3000 Trim Level** sports a 32" side door, rear ramp door for easy access and just enough ATP to show that you mean business. Value has a new standard-bearer.

- ✓ 5" Steel Bar Locks
- ✓ 3/4" DryMax Flooring
- ✓ .030 Aluminum Exterior with 6" Screw Pattern
- ✓ 16" Starbright Stoneguard
- ✓ Standard Level Trim Accents
- ✓ 3-Ply Birch Wall Liner
- ✓ **12V LED Dome Light (1) with Wall Switch**
- ✓ **32" Side Door with Flush Lock (6' & 7' Wide Models)**
- ✓ **Plastic Hold Backs**
- ✓ **Sidewall Vents**

Shown with optional multi-color exterior.

5000

Moving up to the **5000 Trim Level** makes perfect sense if you appreciate convenience, low maintenance and a little flair. Starting with the standard silver aluminum wheels and continuing with the deluxe trim accents, it's no wonder the **5000 Trim Level** is our most popular upgrade.

- ✓ ArmorTech PLUS Coated A-Frame
- ✓ 6" Sand Pad
- ✓ Rainier® Radial Tires with Silver Aluminum Wheels
- ✓ 45" Aluminum Bar Locks
- ✓ 3/4" DryMax Flooring - Painted Gray
- ✓ .030 Aluminum Exterior with Smooth Bonded Exterior (No Screws)
- ✓ 24" Starbright Stoneguard
- ✓ Deluxe Level Trim Accents
- ✓ 3/8" DryMax Sidewall Liner
- ✓ 12V LED Dome Lights (2) with Wall Switch
- ✓ 36" Side Door with Flush Lock (6' & 7' Wide Models)
- ✓ Aluminum Door Hold Backs
- ✓ **Additional Pair of LED Tail Lights**
- ✓ **Upgraded Exterior Ramp Door Trim Wrap**
- ✓ **Fold-Down Stabilizer Jacks**
- ✓ **1000 lb. Floor Tie-Down Rings (4)**
- ✓ **12" DryMax Ramp Extension**

7000

Ultimate performance, style and safety that's a step ahead and a step above the competition. We held little back when we created the **7000 Trim Level**. Upgraded premium features inside and out. Plus, Goodyear® Radial Tires, Back-Up Lights and our LED Flasher System for the safest trailer on the road today.
